

DURASPIN SCREWDRIVER

Powered by an efficient brushless motor, this high torque auto-feed screwdriver includes two extended life 3.0 Ah batteries, a variable speed selector for heavy steel, a quick release feed system with our patented corner fit technology. The DS722-18V also features feed on return - the next screw is aligned with the bit for better line of sight and easier, more accurate screw placement

Technical specifications

Net weight	2,7 kg
Magazine capacity	50 pieces
Number of batteries in kit	2 pieces
Shots per charge	2000
Recharge time 100%	45 minutes
Recharge time 80%	15 minutes
Battery type	Li-Ion
Battery voltage	18 V
Rotations per minute (RPM)	2500 RPM

Applications

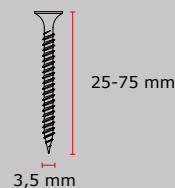

Sheathing to wood, sheathing to steel, wood decking, composite decking, rigid foam insulation, cement board, underlayment and flooring, drywall to wood, drywall to steel, fiberglass backed gypsum sheathing, metal framing, structural steel decking

Features & Benefits

- Patented corner-fit feed system
- Detachable feed system to expose bit for quick reversing
- Selectable 2500/1600 RPM high torque brushless motor
- Precise depth of drive adjustment with depth lock
- Quick slide button bit change
- Variable speed trigger with lock and reverse
