

DURASPIN SCREWDRIVER

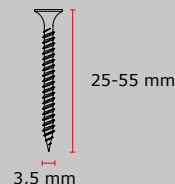

Blazing fast speed in a compact well balanced package provides the ultimate in performance for the most demanding professional drywall installer. Includes Senco's patent pending corner-fit indexing technology that allows placement of screws into tight places unreachable by any other auto-feed screwdrivers on the market. With reduced force to fire you can drive screws all day with less fatigue. (13-25mm screws require special nose piece)

Technical specifications

Net weight	2,51 kg
